Servite High School 2018-2019

Forming Faith-Filled Leaders

Safe Home Initiative

Dear Servite Parents,

Servite High School is committed to providing a drug and alcohol free social environment for the Men of Servite. We are requesting your active participation in our **Safe Homes Initiative.** It is important for you as parents and guardians to be aware of the pressures students face while simultaneously developing shared community values which promotes a safe and healthy student population.

The Safe Homes Initiative asks each Servite parent and guardian to practice precautionary measures (at all times) that are known to discourage teen drug and alcohol use. As part of this initiative, we will provide guidelines that are designed to establish a culture of shared responsibility.

While this document is not legally binding and is completely voluntary, its purpose is to encourage safe off campus gatherings for the Men of Servite. We ask that you sign the Commitment Form and allow us to publish your family name in our Safe Homes Initiative Directory. This Directory will be listed on the school website at www.servitehs.org.

Please feel free to contact Mr. Victor Martin, Dean of Students with any questions you may have regarding this initiative at extension 1121 or email. vmartin@servitehs.org.
