SOPHOMORE

Why Should We Serve Others?

"What good is it, my brothers, if someone says he has faith but does not have works? Can that faith save him? If a brother or sister has nothing to wear and has no food for the day, and one of you says to them, "Go in peace, keep warm, and eat well," but you do not give them the necessities of the body, what good is it? So also faith of itself, if it does not have works, is dead. Indeed someone might say, "You have faith and I have works." Demonstrate your faith to me without works, and I will demonstrate my faith to you from my works."

James 2:15-18

"For the Son of Man did not come to be served but to serve and to give his life as a ransom for many."

Mark 10:45

"The Order of Friar Servants of Mary, which arose as an expression of evangelical apostolic life, is a community of men gathered together in the name of Jesus the Lord. Moved by the Spirit, we commit ourselves, as did our First Fathers, to witness the gospel in fraternal communion and to be at the service of God and all people, drawing abiding inspiration from Mary, Mother and Servant of the Lord."

Chapter 1 from The Rule and Constitutions of The Order of Friar Servants of Mary

It is important that your Christian service hours come from several different sources. We welcome hours that are performed on campus, but we also stress the importance of hours that are served off-campus. It is important to serve your parish or faith based community, as well as your local civic community. Please contact the Campus Ministry Office with any questions regarding service hours and opportunities.

Please note the following:

- Christian Service Forms must be completely filled out and turned in to the Campus Ministry Office within 30 days of the service project or the hours will be voided.
- Hours completed above the required yearly total will not apply to the following year's requirement. They will be added to a student's accumulated service hours for college applications.
- Underclassmen who have not completed the required hours by the end of each school year, will not receive their class schedule for the following year.
- Seniors will not receive their diploma until all required hours (100 total) are both completed and recorded.
