SCHOOL PHILOSOPHY

Servite High School is a Catholic college preparatory high school for boys with a focus on Forming Faith-Filled Leaders. Founded in 1958 by the Order of Friar Servants of Mary, the school is rooted in the traditions and charism of the order. Servite is a multi-cultural school community, admitting students of any race or faith. The school provides a rich and moral environment for its students' academic and personal growth.

The Servite Formation Program is an intentional, systematic direction of the complete student experience toward the end of developing the whole person, body and soul. Formation focuses on three areas: academic, teamwork and leadership, character and spiritual development. We pursue formation by integrating four themes: Primacy of Faith, Mastery of Self, Necessity of the Other and the Centrality of Christ. These themes are carried through all aspects of the Servite experience; academics, athletics, spirituality, activities, the arts and student leadership. All members of the Servite faculty and staff are responsible for applying the formation themes through their interaction with each student. Within the formation process, we recognize parents as the primary educators of their sons.

GENERAL INFORMATION

Announcements: Servite has daily announcements. Students requesting a morning announcement must fill out a form available on the counter in the Main Office. The announcement form must be legible and signed by the club or organization's faculty advisor. Announcements are to be turned in to the office by the end of school the day prior. The same announcement may not run for more than three days without being changed.

Bicycles/Skateboards/Roller Blades: Bicycles must be parked by the back library gate and should not be left anywhere else on campus. Students should always lock their bikes. The school is not responsible for any stolen bicycles.

Skateboards & roller blades are not permitted on campus.

Buildings: No loitering in buildings during the school day (7:00 AM – 2:50 PM). No cell phones may be used at anytime. No running or loud activity is permitted.

Bulletin Boards: Any announcements or posters that are to be placed on the school's bulletin boards must have the approval of the Activities Director or Assistant Principal of Student Affairs.

Change in Address: If a student changes his address or phone number during the school year, he must notify the Main Office and the Registrar **immediately**.

Change in Policy: The school rules, regulations and policies listed in this handbook may be added to or amended by the Administration of Servite through an oral or written notice to students or parents. The Administration is the final arbiter of questions of policy.

Chapel: The Seven Holy Founders Chapel is open during school hours. Students are welcome to visit for private or liturgical prayer when such a visit does not conflict with their assigned activities. Students are welcome to attend the Community Mass of the Servites which is held before school begins Monday, Wednesday and Friday and during the lunch period on Tuesdays and Thursdays.

Christian Service Hours: Forms for reporting Christian Service hours are available in the Campus Ministry office which is located in the priory building. The forms must be turned in to that location.

Closed Campus Policy: Providing a safe and orderly campus environment is important. All students are required to stay on campus for the entire day. Further, all visitors must check in with Campus Security or Main Office and receive an ID badge. Students from other schools are not permitted on campus other than for authorized or official business or school activity.

College Visitation: Servite recognizes the importance of visiting college campuses for college preparatory students. Such visits, however, can become an interference with their normal studies. Visits should be scheduled after school hours and/or during school vacation periods. Should a visit take place outside of these times and the student has not completed the school's Extended Absence form, the Attendance Policy applies. Student athletes being recruited by colleges must also schedule college visits outside normal school hours.

Commitment Signature Sheet: Parents & students are required to read the handbook, sign and return the school's Commitment Signature Sheet by the date indicated in order to attend classes.

Counseling Services

- **Academic Counseling:** All students are assigned to counselors based on the student's grade level. Counselors are available to help students plan their high school program, discuss career opportunities and prepare for college. The Academic Counseling office is located in the administrative area of the main building. The grade level assignments are as follows:
 - Seniors & Juniors: Mr. Clapp & Ms. Recknor
 - Sophomores: Mrs. Moore
 - Freshmen: Mr. Coates

- **Student Services/Personal Counseling:** Servite provides personal counseling services to students. Dr. Matthew McCann & Ms. Deborah Blashaw are the personal counseling staff. They are available to staff, students and parents. Students may also seek religious or personal counsel from the Friars of the Servite Order.

Grading Periods: Progress reports and Deficiency Notices are mailed home as deemed necessary by the teachers. Report cards are mailed home at the end of each quarter. Class Credit is earned at the semester.

Gum: The chewing and/or possession of gum is not permitted during the school day.

Health Services: In case of illness or injury, all students must have an emergency card on file in the Registrar's office. Parents will be notified of accidents and are responsible for transporting their sons, except in cases of extreme emergency.

I.D. Cards: Students are given a student I.D. card which also serves as a "cash card" or "meal card" for school purchases. This card must be in their possession at all times and presented when requested by a school official. The I.D. card entitles them to free entry to home sporting events and reduced rates for other school activities. Replacement I.D. cards may be secured from the office of the Assistant Principal of Student Affairs. There is a \$5.00 charge for replacements.

Insurance: Through a program of the Diocese of Orange, insurance is provided for all students.

This insurance assists in the medical expenses incurred for accidental bodily injury sustained by students while attending school, while traveling to or from school, or while participating in solely school-sponsored and supervised activity. This is a secondary insurance policy.

Library: The library opens at 7:30 AM and closes at 4:00 PM. The library is open before school, at morning break, during lunch and after school. Students are encouraged to use the library for study purposes. Students who abuse the use of the library will be denied library privileges. Materials from the library may be checked out for a two week period. Overdue notices will be issued when books have not been returned on time. Any lost or damaged materials must be replaced at the borrower's expense. No running in the library at anytime. **Violators will face disciplinary action.**

LOCKERS

Hall Lockers: Each student is provided with a school locker. Lockers are assigned by the Assistant Principal/Dean of Students. Each student must purchase a school authorized lock through the Servite Student Store. Use of any other lock will result in the lock being cut off the locker. Students should keep their lockers in good order; they may not place stickers or paste pictures or other materials on the doors or walls, on the inside or outside of any lockers. Each student will be held accountable for his locker and any damage done to it. Students may not switch or share lockers that have been assigned to them by the Assistant Principal/Dean of Students. Problems with the operation of a locker should be brought to the Assistant Principal/Dean of Students attention. **It is the personal responsibility of the student to secure his locker when he leaves it.** Students are advised not to give their combination to anyone.

Gym Lockers: Students who participate in P.E. classes or who are on an athletic team will be assigned lockers in the gym locker room. The only locks which may be used in this area are those sold in the Servite Student Store. **Gym lockers are not to be used for storing school textbooks or food.** It is the personal responsibility of each student to prevent theft by securing the approved lock on his locker.

SCHOOL ADMINISTRATORS HAVE THE RIGHT TO INSPECT STUDENT LOCKERS AT ANY TIME

Lost And Found: Students are responsible for their own personal property. If an item or book has been lost, they may check in the office of the Assistant Principal/Dean of Students which is the official Lost and Found location. For easy identification, all articles should be labeled with the name of the student. Servite High School is not responsible for books or other personal belongings of students.

Lunch/Break: Students may eat only in designated areas. These areas are announced at the beginning of each school year. Anyone bringing lunch to a student must deliver it to the Attendance Office/Main Office before 12:00 PM. Food is not to be delivered to a student in the parking lot or in front of the school.

Medication: California State Law forbids schools from dispensing medication, including aspirin, without the written permission of a doctor and parents. Parent/Guardian and Physician Request for Medication forms are available in the Servite Main Office. Once this form is on file, any medication which needs to be administered on campus must be stored in the Main Office. A student may obtain his daily medication dosage from that stored supply.

Messages to Students: As a rule, messages from parents to students will not be delivered during class time. In the event of an emergency, an exception may be made. To minimize class interruptions, students should be made aware of their medical appointments and any other important information before they come to school.

Office Hours: On a regular school day, the School Main Office is open 7:30 AM - 4:00 PM.

Public Transportation: Servite is served by the OCTA with a stop immediately in front of the school. Schedules for most major routes may be found in the Main Office area. Student behavior on public transportation or buses chartered by the school, which is not consistent with Servite standards, including destruction of property, is a serious offense. This type of behavior is a poor representation of the school and will be dealt with according to the school's Discipline Policy.

Rights: As a private school, Servite operates under contract law, not constitutional law.

Student Records: All student records are kept in the Registrar's office. Students who wish to have transcripts sent to colleges or universities must fill out a form in the Registrar's office. In addition, any student who withdraws from Servite must have a parent notify the Registrar in writing before his last day on campus. The Registrar will then send the student's file to his new school. All address and phone number changes during the course of the school year, should be reported immediately to the Registrar's office. **To** maintain accurate student records, divorced or separated parents must file a court-certified copy the custody section of the divorce or separation decree with the registrar. The school will not be held responsible for failing to honor arrangements that have not been made known.

Student Store: The Student Store is located in the Servite Library and the hours are posted on the door. Athletic gear and other school supplies can be purchased through the bookstore.

Work Permits: These can be obtained from the Assistant Principal of Student Affairs at Servite High School.

DISCIPLINARY POLICY

Disciplinary Policy Introduction: The school recognizes parents/guardians as primary educators of their children. To fulfill its goal of *Forming Faith-Filled Leaders*, Servite High School strives to create an environment where students develop the virtues (good habits) that will help them be successful, both personally and professionally. These virtues include honesty, integrity, courage, justice, self-discipline, humility, responsibility and community (respect for others). A well-disciplined student is one who has achieved the freedom and ability to control his own behavior, focusing it in healthy ways to achieve success. The policies and rules of the school are in place to create a positive educational environment. Servite students are expected to engage each other, faculty, staff and the school in a positive manner and in good-faith.

To develop self-discipline, students must assume responsibility for their own behavior. Violations of school policies and/or rules cause harm to the student committing the violation and to the Servite school community. When a student violates school rules, parents and school personnel should work together to take the necessary steps to correct the student's behavior. Student and parental support of the disciplinary policy is essential.

Friar Standards:

- Servite men attend school every day and are in class on time, with proper materials, prepared to work
- Servite men work with teachers and other students to create a positive environment in the classroom and on campus.
- Servite men are polite, respectful, courteous and cooperative with everyone they meet, including parents, school personnel, campus guests and fellow students.
- Servite men care about the appearance and reputation of the Servite community and work to develop, create and extend a positive image.

GENERAL DISCIPLINARY STATEMENTS

Right to End Relationship: Servite reserves the right to end its relationship with a student and/or family, at any time, for any reason, if the administration believes that Servite is best served by ending the relationship. At the discretion of the administration, the student may be given the opportunity to voluntarily withdraw or be disenrolled

Servite Student at All Times: A student is a Servite student at all times. A student who engages in conduct, whether on campus or off-campus, during school hours or outside school hours, that is, in the judgment of the Servite administration, found to be inconsistent with the values of or harmful to the reputation of Servite, will be subject to discipline.

Threatening or Intimidating Environment: A student may be suspended and/or otherwise disciplined, up to and including disenrollment or expulsion, at any time if the Principal or Assistant Principal/Assistant Principal of Student Affairs determines that the student presents any type of threat to, or creates an unsafe or intimidating environment for Servite or any person associated with Servite. The student may be suspended until the Principal determines the threat or intimidating environment no longer exists, or until other disciplinary action is taken.

Multiple and/or Repeated Violations, and Patterns of Behavior: Patterns of misconduct, or repeated or multiple violations of school rules, may constitute grounds, in the judgment of the administration, for disciplinary action up to and including disenrollment or expulsion.

Single Serious Violation: There are occasions when the seriousness of a single violation may constitute grounds, in the judgment of the administration, for disciplinary action up to and including disenrollment or expulsion.

Lack of Cooperation: A lack of cooperation with the faculty, staff or administration, or a lack of a cooperative attitude by a student or parent regarding school policies and/or rules, may be interpreted by Servite as a lack of genuine desire, on the part of the student and/or parent to attend Servite. This may result in Servite recommending the withdrawal or disenrollment of the student, or to otherwise end its relationship with the student and/or parent.

Discipline History: The Servite administration may take into account the overall disciplinary history of a student when determining consequences for violations of school rules or policies.

Final Determination in Disciplinary Issues: The Servite administration reserves the right to make the final determination with regards to student disciplinary issues and consequences. The Principal is generally the final authority with regards to disciplinary issues. The Servite administration retains the right to modify any part of this disciplinary policy at any time, if it believes modification is in the best interest of the school. Written notification will be provided to parents.

Disciplinary Process: When school rules or policies are violated, different disciplinary measures may be taken, at the discretion of the Assistant Principal/Assistant Principal of Students and/or Principal, depending on the seriousness of the violation, the student's previous disciplinary history, the student's potential for success at Servite, and any other factors the Assistant Principal or Principal desire to consider. It is possible that two students violating the same rule or policy at the same time may receive different disciplinary consequences.

- Minor disciplinary problems may be handled by a teacher or staff member or referred to the Assistant Principal/Assistant Principal of Students.
- Major disciplinary problems will be referred to the Assistant Principal/Assistant Principal of Students and/or Principal. The problem may be resolved by the Assistant Principal or Principal or may be referred to the Disciplinary Board for resolution.

Disciplinary Board: The Disciplinary Board is an advisory body to the Principal that may be convened to study disciplinary problems and provide recommendations on appropriate consequences. The Disciplinary Board is advisory only. The Principal always retains the authority to determine the disposition of disciplinary issues. The Disciplinary Board may consist of administrators, counselors and student leaders. Students may be referred to the Disciplinary Board by the Principal or Assistant Principal/Assistant Principal of Students.

The Disciplinary Board may (but is not required to) meet with the parents and student so that parents and student may make a presentation to the Board concerning the disciplinary issue. The Board may request written documentation from the parents and student to supplement a presentation or, in lieu of a meeting. Legal counsel is not permitted to attend Disciplinary Board meetings.

Types of Disciplinary Consequences: Violations of Servite rules or policies may result in disciplinary action (including but not limited to) one or more of the consequences listed below.

INTERNET AND ELECTRONIC COMMUNICATIONS POLICY

It is a violation of school policy for any student to bring an outside computer on campus. It is common for students to use the Internet and electronic communications devices to communicate with other students and people. Types of devices may include, but are not limited to, computers, cellular phones, iPhones, Blackberrys, wireless communication devices, etc. Modes of communication may include, but are not limited to, phone calls, text messages, picture messages, video messages, voice mails, email, websites, blog entries and more.

Because these devices and modes are easy to use, students often use them for quick, personal, informal communications. The informality and ease in making these communications often lulls students into the mistaken belief that they can communicate anything they want, their communications will remain ‘private’, and that their electronic communications do not pose any potential problems for them, their family or the school.

IMPORTANT: Students must be aware that because these communications—whether voice, email, blog entry, text message, web page, picture message, video message or other—are electronic they are easily stored, copied and/or re-transmitted.

Students must understand that anything they say, write, capture, video or transmit—even if they intend it to be private—can easily and quickly become public at anytime. Because students are “Servite students” at all times and because students are responsible for all their communications, whether intended to be private or public, students should never communicate any message or file at any time that reflects thoughts, actions or attitudes inconsistent with the values of Servite or is in violation of the Disciplinary Policy.

Students may never use any Servite system to transmit or receive any inappropriate electronic communication. “Servite systems” include (but are not limited to) the Servite network, any computer issued, sold or leased to students for school use, any Servite electronic communications device, or any Servite website, blog or other Internet electronic file system.

Students may be held responsible in terms of the Disciplinary Policy for any electronic communication that comes to the attention of the Servite administration and is inconsistent with the values of Servite.

Students who receive or view any communication that is inconsistent with the values of Servite are expected to report the communication to the school administration.

Prohibited activities include (but are not limited to):

- Sending, receiving or accessing any type of communication or file that is inconsistent with the values of Servite or contains any material inconsistent with the values of Servite
- Use of any Servite system to coordinate, plan or facilitate acts inconsistent with the values of Servite
- Use of any trademarks, logos or symbols associated with Servite without the permission of the school’s Director of Communications or in a manner that brings discredit to, or damages the reputation of, Servite or a person associated with Servite
- Use of any copyrighted material without permission
- Use of the Servite network for commercial advertising
- Use of the Servite network to lobby for votes

Parents and students should be particularly mindful of the content used for:

- Creating web pages on web sites like MySpace.com, Facebook.com or other social networking sites.
- Website postings, entries or other communications (i.e. MySpace.com)
- Email
- Digital photographs and photography
- File sharing or hosting sites
- Phone calls
- Voice mail messages
- Picture messages
- Text messages
- Chat or instant messaging sessions
- Video messages
- Websites and web pages
- Blog entries

ASSISTANT PRINCIPAL/DEAN OF STUDENTS' RIGHT TO AMEND

These consequences were written as clearly and as explicitly as possible. During the school year, new and unusual situations might arise. Therefore, the Assistant Principal/Dean of Students reserves the right to amend these consequences as necessary.

COMPUTER DAMAGE

Intentionally damaging, reprogramming or installing any programs or viruses onto a Servite computer is considered an act of vandalism and will be dealt with according to the Vandalism disciplinary guidelines. Intentional damage or damage caused by carelessness causes the school to incur labor, parts and postage expenses. The following will be charged to the parents of the student for computer damage.

If a police report is filed and they are unable to locate and recover the computer, there will be no charge. If no police report is filed and the computer is not recovered, the student's family will be charged \$750.00, to cover the cost of replacing the missing unit.

POLICY AGAINST HARASSMENT

Servite High School is committed to providing an environment that is free from harassment in any form. Harassment of any person by any other persons is strictly prohibited. The school will treat any allegations of harassment seriously and will review and investigate such allegations in a prompt, confidential, and thorough manner.

A charge of harassment shall not, in and of itself, create the presumption of wrong doing. However, substantiated acts of harassment will result in disciplinary action, up to and including dismissal. Anyone found to have filed false and frivolous charges will also be subject to disciplinary action, up to and including dismissal. Harassment includes, but is not limited to, any or all of the following:

- **Verbal Harassment:** Derogatory comments and jokes; suggestive or threatening words spoken to another person;
- **Physical Harassment:** Unwanted physical touching, contact, assault, deliberate impeding or blocking of movement, or any intimidating interference with normal work or movement.

ACADEMIC HONESTY POLICY

Academic Honesty Policy: High performance teams, good leadership and a good learning environment require high levels of trust between students, teachers, administrators and staff. Trust depends on respect for each other's honesty, integrity and justice. As we *Form Faith-Filled Leaders* at Servite, it is critical that students develop a deep internal sense of honesty, integrity and honor.

The Academic Honesty Policy provides students with guidelines for appropriate and inappropriate academic behavior. Academic honesty means that each student does his own work on assignments, homework and examinations, and accurately recognizes the work of others when appropriate.

To reinforce the importance of academic honesty and to protect the behavior of honest students, teachers and administrators will implement measures to deter dishonesty and catch those who are dishonest. If a violation of the academic honesty policy is suspected, the teacher will work with Servite administrators to evaluate the situation and take appropriate disciplinary action. Students who violate the Academic Honesty Policy are subject to the Servite Disciplinary Policy.

Academic Honesty Violations:

Violations of the Academic Honesty Policy include (but are not limited to :)

- Viewing another student's paper during a quiz or test
- Communicating with anyone other than the teacher during a test or quiz
- Preparing homework for another student, or giving/lending assigned work to a student who copies the work or represents it as his own
- Misrepresenting the work of another, whether original or copied, as his own
- Providing information about a quiz or exam to any student who will be taking it at a later time.
- Receiving information about a quiz or exam from a student who has already completed it.
- Providing or receiving information concerning a test or assignment that enables a student to claim credit for work that he did not complete on his own
- Any attempts to cheat on a quiz, exam or assignment
- Any attempts to change a grade in a teacher's paper grade book, online grade book, or in student records.

ATTENDANCE POLICY

A phone call and a note are required each time a student is absent. Student attendance is very important. Time away from the classroom decreases instructional time. Servite has established a policy whereby class credit may be revoked if a student's absences are considered excessive. It is the parent's responsibility to see that their son attends school every day, unless excused for a valid reason.

Class Credit: To receive credit for a class at Servite, a student must attend the regular meetings of the class. **Attending the regular class meetings means that he has not missed more than nine class meetings per semester.** Attendance is based on semesters and is not cumulative. For a student to be considered having "attended" a class meeting, he cannot be **more than ten minutes** tardy.

Appeal Process: Excessive Absences: When a student has reached or exceeded the maximum number of class absences during a semester, he and his parents may appeal the loss of credit for the class to the office of Academic Affairs. This office was established for just such a purpose. Both parents and students must be present at the appeal.

Absences: Excused absences including:

- Illness of students
- Death in the family
- Unforeseen emergency
- Holy Days (These ceremonies must be celebrated as defined by the religion during school hours. If the ceremonies are given before or after school, they do not qualify as an excused absence). Parents are required to phone the attendance office before 9:00 a.m. on the day of absence for the student.

Upon returning to school, the student must bring a note with his name, grade level, the day the student was absent, reason for the absence and a parent signature. To obtain an admit slip, the note must be presented to the Attendance Office before the first period. Notes presented ten minutes after the start of first period will result in automatic detention. All teachers shall provide assignments and tests when a student is absent for an excused reason.

AERIES ATTENDANCE KEY

A = Unexcused D = Truant E = Excused G = Game L = Late Admit M = Medical

S = School Activity T = Tardy V = Verified Z = Suspended

Extended Excused Absence: Extended excused absences may be granted solely by the Administration. Neither faculty nor parent may grant an extended absence. A request form for extended absence must be secured by the parent/student from the attendance office and submitted to the Administration for approval before the absence begins. Once approved, all teachers shall provide assignments for the duration of the absence.

Absence and Extra-Curricular Activities: A non-excused school absence will render a student ineligible to participate or attend a Servite activity on the day of absence.

Truancy: Any student, who is not excused from school by the Administration, is considered truant. As a consequence, he will not be given make-up work, tests or assignments. Students, who are truant from school or found cutting any class, will serve a Saturday detention and will be placed on a disciplinary contract for the first offense.

Tardies/Late Admit: Late admission to school is excused for the following reasons: a) Family emergencies, b) Medical/Dental appointment, c) Court appearance order, d) Verifiable traffic conditions. When a student is reporting late to school under 10 minutes he will report to class, after 10 minutes he must report to the Attendance Office with a note to obtain an admit slip. Missing more than ten minutes of any period will be treated as an absence or a late admit, not a tardy and will be handled by the Assistant Dean of Students. If there is not a valid excuse, disciplinary action will be taken. Tardies of 10 minutes or less are addressed by individual faculty members. .

EARLY DISMISSAL PROCEDURES

Illness: Students who need an early dismissal due to illness must go to the Attendance Office to call parents and make arrangements to go home. If this procedure is not followed, the student will be considered truant.

Funerals: A student who needs to attend a funeral must bring a note from his parents and must receive permission from the Administration.

Other: Students who request to leave school early, must have a note from parents and must receive an early dismissal slip from the Attendance Office before first period. . The student will show this slip to the teacher before leaving class. Upon returning to campus, the student must report to the Attendance Office with the early dismissal slip and a note from the Doctor/Dentist or parent whereupon he will be issued a re-admit slip.

Homework Request: A student is permitted one school day for each day absent, to make up any missed assignments. Projects or long-term assignments are excluded from this policy. Teachers may determine the assignments due upon return, if it had been assigned a considerable time in advance.

DRESS CODE PROCEDURES

Philosophy: Servite High School believes that there is a direct correlation between a student's appearance and his overall attitude toward school. A student's dress reflects his approach to his studies, the amount of respect he holds for the members of the faculty and staff, and his behavior as it affects other students. "Dressing up" for school signifies a respect for the above areas and a keen understanding of the charism of Servite High School.

The Assistant Principal/Dean of Students office is directly responsible for the administration of the Dress Code and the prevention of exaggerated styles of dress, hair or accessories which may draw unfavorable attention to the wearer. This is NOT seen as an infringement of student rights of free expression since there are many off-campus hours during which any student may dress as he chooses. **Since attendance of Servite High School is a privilege, each and every student is expected to abide by a uniform and equally applicable dress code.**

Dress Code Guidelines: Each student is expected to be neatly dressed and groomed while on campus. The dress code is in effect beginning the first day of school. Any student who violates the Servite dress code may be sent home until he conforms to the guidelines. Any lost time from school due to dress code violations is considered an unexcused absence. The dress code will be enforced for the entire school day and at all events.

Periodically, the Assistant Principal/Dean of Students will conduct dress code checks. Teachers will send students who are out of Dress Code to the Assistant Principal/Dean of Students office. Dress code regulations remain in force on final examination days.

Students who do not conform to this regulation will not be permitted to take their final exam at the scheduled time. They may take it at a later time and date that is convenient to the teacher. In addition, the Dress Code remains in place for all "end of the year" senior activities.

CONFERENCE PROCEDURE

Problem Solutions: There are times when problems or misunderstandings can arise between parents and teachers or staff, or when a policy or procedure needs clarification.

Problems and/or misunderstandings are resolved most effectively and quickly when they are handled between the parties having the problem or misunderstanding (i.e. parent and teacher). Therefore, parents who have problems or questions, should first talk with the faculty; counselor or staff member with whom there is a problem or who is in the best position to answer the question. The problem or question may be handled by phone, email or a direct meeting.

If the problem or question remains unresolved, a parent may contact the appropriate Servite administrator to further discuss the issue. Appropriate administrators are generally the faculty or staff member’s supervisor and may include the Formation Director, Assistant Principal/Assistant Principal of Students, an Assistant Principal or the appropriate Director.

If the problem or question still remains unresolved, the parent may contact the office of an appropriate member of the Executive Team.

This would include the:

- Principal (issues involving students)
- Vice President of Finance and Operations (business, operations or finance)
- Vice President of Advancement (public relations, communications or fundraising).

A member of the Executive Team may reaffirm a decision by a subordinate and decline the opportunity to meet.

While Servite considers parent and student satisfaction to be important, there are rare times when a parent remains dissatisfied with the resolution of a problem or question, even after meeting with a member of the Executive Team. While the decision of an Executive Team member is generally considered final, the President may, at his discretion, review any decisions or actions.

DRUG & ALCOHOL USE POLICY

One of the greatest dangers facing students today is the temptation of substance abuse.

Servite may strive to help a student battling substance abuse if the school believes that the student is engaged in a good-faith effort to solve the problem and there is a reasonable chance for success.

Continued substance abuse after the student has made a pledge to stop, will generally be regarded as bad faith and/or an indication that success is unlikely. Servite reserves the right to take any disciplinary action it deems appropriate, up to and including ending its relationship with a student and/or a family if the administration believes that this is in the best interest of the school. Servite High School has in no way undertaken the responsibility to detect, prevent, or treat drug or alcohol abuse by students, even where such use becomes apparent as a result of this policy.

Servite may conduct random drug and/or alcohol testing of students and reserves the right to conduct testing of a specific student, if staff or administrators have reasonable suspicion of abuse.

To support students in the establishment and maintenance of a high-trust, substance abuse-free environment, Servite reserves the right to conduct substance abuse testing of any student, unannounced.

Students who participate in the distribution or manufacture of a controlled substance or drug paraphernalia, or who possess controlled substances on campus or at any Servite activity or event, should expect automatic suspension pending referral to the Disciplinary Board, plus any other disciplinary action Servite deems appropriate, up to and including disenrollment or expulsion.

Students will not be penalized academically for testing positive for substance abuse. The results of drug tests pursuant to this policy will not be documented in the student's academic records, but will be maintained in a separate medical file. Information regarding the results of substance abuse testing will be kept confidential and will not be disclosed to criminal or juvenile authorities absent legal compulsion by valid and binding subpoena or other legal process. In the event of service of any subpoena or legal process, the student's custodial parent or legal guardian will be notified. Parent and/or guardian signature(s) on the Substance Abuse Commitment Signature Sheet indicate acceptance of the Substance Abuse Program, Substance Abuse Testing, and General Authorization and Consent.

Substance Abuse Violations:

Indications of substance abuse violations include (but are not limited to):

- Personal observation of substance abuse by a student or school personnel
- Police report indicating substance abuse
- Personal confession by a student to substance abuse
- Report by a parent/guardian of substance abuse by their son

- Positive result on a substance abuse test
- Refusal to take a substance abuse test
- Possession or sale of any controlled substance
- Any attempt to falsify, cheat or change a substance abuse test or its results

Self-Referral:

Servite strongly encourages students with a substance abuse problem to proactively and voluntarily refer themselves to the Assessment Team so that the school can get them help with their problem. Students may also be referred to the Assessment Team by a teacher, coach, advisor, parent, faculty member, staff or fellow student. Servite will not initiate disciplinary action for a good-faith referral (by anyone listed above) or for a good-faith self-referral. A student may self-refer only one time while attending Servite. A self-referral will not be accepted after the student has been chosen to participate in a substance abuse test. The Servite administration reserves the right to determine, in its judgment, whether or not a referral is in "good faith".

Upon referral, the student will meet with the Assessment Team who will determine a course of action for the student. The course of action often includes a required substance abuse evaluation; referral to a substance abuse program; and substance abuse testing at least once every thirty days as long as the student attends Servite. The student may be restricted from athletics and activities until a substance abuse evaluation has been completed.

Testing Procedures:

Testing procedures are at the discretion of the Principal and/or Assistant Principal of Student Affairs. Procedures may be modified by the Principal and/or Assistant Principal of Student Affairs to accommodate differing circumstances.

Substance abuse testing may be conducted, at the discretion of the Principal or Assistant Principal of Student Affairs, by urinalysis, hair follicle test or breathalyzer.

Those selected for testing will provide samples in a private setting under the direction and supervision of an athletic trainer, and an Assistant Principal or Assistant Principal/Assistant Principal of Students.

Servite will take reasonable steps to assure the integrity, confidentiality and (if random testing) the random nature of the testing process. Students who are taking prescription medication must provide doctor's verification to the school in a sealed envelope. Positive tests will be reported to an Assessment Team that will evaluate the situation and recommend action to the Principal.

Action: The Servite administration reserves the right to take any action it deems to be in the best interest of the school or student, including disciplinary action up to and including disenrollment or expulsion.

Any violation (not involving distribution or manufacture) of the Substance Abuse Policy will result in an evaluation of the student by the Servite Assessment Team to determine an appropriate course of action for the student. The Servite administration, at its discretion, may include a substance abuse evaluation team or personnel from another program, as part of the evaluation/assessment process.

The student will be required to follow the course of action, which may include (but is not limited to) automatic substance abuse testing on testing days; substance abuse testing at least once every 30 days; participation in alcohol or other substance abuse prevention/treatment programs; and/or follow-up activities.

Failure to comply with the assigned course of action will generally be regarded as an indication of bad faith and/or that success is unlikely, and will generally result in disciplinary action up to and including disenrollment or expulsion. Parents are expected to pay for any additional or monthly drug testing assigned by the Assessment Team

Additional violations of the Substance Abuse Policy will lead to additional evaluations by the Assessment Team, and will generally result in disciplinary action up to and including disenrollment or expulsion

ACADEMIC POLICIES

Please find the 2010-2011 Servite High School academic policies in the academic section of the Servite website www.servitehs.org.

KAIROS RETREAT POLICIES

KAIROS is an intense retreat experience meant to assess the retreatant's relationship with Jesus and with others, as well as God's role in their life. KAIROS retreats are an important component of the junior and senior student campus life and it is necessary that the Servite community support the students attending and leading the different retreats.

A big part of KAIROS is helping the young men understand how much they are loved. All academic departments have been encouraging student participation as well as providing accommodations for the retreatants and student leaders, to make up work and assignments.

KAIROS Week: Retreatants depart on Monday afternoon and return Thursday evening. Students report to the library at 10:00 AM on the Friday following their KAIROS, to learn of missed assignments. They do not need to report to class but have the option to do so.

Based on input from the academic departments and the approval of the Principal, the following is Servite's KAIROS academic policy:

1. Teachers will publish a KAIROS Remediation Plan on Moodle, no later than Monday of KAIROS week.
2. Students will meet with their teachers before going on the retreat to review the teachers' KAIROS Remediation Plan.
3. Students will complete all missed assignments (quizzes and tests) for credit as per teachers' KAIROS Remediation Plans.
4. Students will meet at the library at 10:00 AM on Friday of KAIROS week to learn about missed assignments. They need not report to any class, but have the option to do so.
5. Students are responsible for all new material taught during KAIROS week, which will be included in future assignments.

Anyone who loves another brother or sister is living in the light and does not cause others to stumble.

ATHLETIC POLICIES

Conduct of Servite students who participate in Athletics must be in accordance with the highest possible standards. Failure to adhere to the highest standards of a Christian gentleman and sportsmanship is grounds for disciplinary action and possible expulsion from a team.

A student must be academically eligible by CIF standards in order to participate on an athletic team. Students shall be financially responsible for all lost or stolen equipment.

Clearance to Participate in Athletics:

Prior to participation in any sport, athletes must:

- Submit evidence of a recent physical examination and a physician's statement of clearance to participate.
- Submit two emergency medical release cards, signed by his parents/guardians to the athletic trainer.
- Have returned all equipment from a previous sport in which he participated.
- Sign the Athlete's Code of Conduct and the Substance Abuse pledge.
- Upon completion of these four items, the equipment manager will issue athletic equipment to the athlete.

Athletic Eligibility:

- Semester G.P.A. determines eligibility. (G.P.A. may include one P.E. grade.)
- Length of probationary period equals one full semester. Length of ineligibility period equals one full semester.
- The Administration will produce a list of those students who are on probation or ineligible.

Definition of Terms:

- **Semester:** First semester, generally September through January. Second semester, generally February through June.
- **Eligible:** Most recent GPA including P.E. grade is 2.0 or higher.
- **Probation:** If below 2.0 the most recent semester, but not below 2.0 in previous semester, player may continue interscholastic competition for one full semester while on probation. "Athletic Probation" is not the same as Academic Probation because the P.E. Grade is computed into eligibility. Athletic Probation is also based on semester GPA, not cumulative GPA.
- **Ineligible:** At the end of the probationary period, if a student is still below a 2.0 GPA the student may practice with the team but may not compete in interscholastic competition for one full semester. He remains ineligible until his semester GPA reaches a minimum of 2.0. This involves any sport for the duration of the semester.
- **Quarter Grading Periods:** These are considered progress reports and will not be used in determining athletic eligibility.

Sportsmanship: Servite students are expected to demonstrate exemplary sportsmanship in their behavior at all athletic events. As athletes in a contest or as spectators at athletic event, they represent their school and should live up to its values. The lack of sportsmanship standards, which can be observed among college players, professional athletes and spectators at many public sporting events, is not a model for the behavior of Servite players and spectators.

Spectators must observe the following guidelines:

- Cheers should be of a positive nature; cheers should only be directed towards the support of our own athletes.
- At no time may remarks or cheers be directed at an opponent, opposing coach or a game official.
- Refrain from bringing noisemakers of any kind to an athletic contest
- All signs must be approved by the Director of Communications, Activities Director or Athletic Director.
- Spectators must refrain from going onto the court or field at any time.

All Servite Students must always:

- Remember that both participating athletes and student spectators represent our school; they should do so in the same gentlemanly and sportsmanlike manner.
- Recognize that the good name of our school is their primary concern and responsibility.
- Refrain from the use of profanity, vulgarity and other offensive language and gestures.
- Appreciate an exhibition of fine play or good sportsmanship by any player or team.
- Respect the integrity and judgment of game officials.
- Follow all rules and regulations of CIF and the Trinity League; these are in effect for all games.
- Win with character, lose with dignity.
- Respect the opponent’s campus.
- Respect injured players on both teams.
- Respect and follow the directives of any Servite Faculty or Staff member in attendance at an athletic contest.
- Uphold the ideals of the Servite Mission Statement at all times, remember that our school is based on the Gospel of our Lord Jesus Christ.
- Subscribe to the CIF’s “Victory with Honor” program guidelines.

THE SEVEN HOLY FOUNDERS

THE SEVEN HOLY FOUNDERS

-MANNETUS-AMIDEUS-BONAJUNCTA-BONFILIUS-HUGH-SOSTENE-ALEXIS-

The Seven Holy Founders of the Order Friar Servants of Mary (Servites) were young, successful merchants who came together in Florence, Italy. United by friendship and devotion to the Blessed Virgin, they gave themselves to common prayer and works of charity. Their desire to serve God eventually led them to leave their homes and their businesses, to form a community outside the city walls. About the year 1245 they moved to Monte Senario where, for a time, they followed a life of prayerful seclusion. As others came to join them, they laid the foundation of the Servite Order, whose members would be committed to the service of the Lord and others. They promised to follow Christ and witness his gospel; they took the Blessed Virgin as their Lady; and they lived communal life according to the Rule of St. Augustine. Pope Leo XIII canonized them as the Seven Holy Founders of the Servite Order in 1888.

PRAYER TO SAINT PEREGRINE PATRON SAINT OF CANCER PATIENTS

O great St. Peregrine, you have been called "The Mighty Wonder Worker" because of the numerous miracles which you obtained from God for those who have turned to you in their need. For so many years you bore in your own flesh this cancerous disease that destroys the very fiber of our being. You turned to God when the power of human beings could do no more, and you were favored with the vision of Jesus coming down from His cross to heal your affliction. I now ask God to heal these sick persons whom I entrust to you: (Here mention names) Aided by your powerful intercession, I shall sing with Mary a hymn of gratitude to God for His great goodness and mercy. Amen.

MARIAN DEVOTION

The Angelus: (Prayed at noon)

Leader: The Angel of the Lord declared unto Mary:

All: And she conceived of the Holy Spirit.

Leader: Hail Mary....

All: Holy Mary..

Leader: Behold the handmaid of the Lord:

All: Be it done to me according to your word.

Leader: Hail Mary...

All: Holy Mary..

Leader: Let us pray, **All:** Pour forth we beseech you, O Lord, your grace into our hearts that we to whom the incarnation of Christ, your Son, was made known by the message of an angel, may be brought by his passion and cross to the glory of his resurrection, through the same Christ, our Lord. Amen.

Hail Mary: Hail Mary, full of grace, the Lord is with you. Blessed are you among women and blessed is the fruit of your womb Jesus. Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.

ROSARY OF THE SEVEN SORROWS

Opening Meditation: In the seven sorrows of the Virgin Mary we see a reflection of the suffering and bitter anguish of the Human Christ. Just as Mary accepted the total mystery of Christ, so may we see in our sorrow, our fear, our humiliation, a dim, but real participation in His passion and death, recalling that if we wish to follow Him, we must "take up our cross" each day. Let us pray that we might accept Christ's call, and become co-sufferers of His passion.

The Seven Sorrows: (The meditation of each sorrow is followed by one Our Father and seven Hail Mary's)

1. The prophecy of Simeon
2. The Flight to Egypt
3. The Loss of Jesus in the Temple
4. Mary meets Jesus on the way to Calvary
5. Jesus Dies on the Cross
6. Mary Receives the Dead Body of Jesus
7. Jesus is Laid in the Tomb

Closing Prayer: Lord God, our Father, from the passion and death of Jesus, shared by the compassion of his Mother, you brought healing to fallen men and women. Grant that we, your people, may experience this healing and rise from the power of sin to a wholeness of life promised by Jesus, who lives and reigns with you and the Holy Spirit, now and forever. Amen

Vocation Prayer: O Father, maker of all, you love and care for me through all the important people in my life. I want to show you that I love you in whatever I do. Show me how you are calling me to serve you. Give me the grace to answer you generously.

Supplication of the Servants: Grant, Mother of all goodness, that we, your servants, be filled with hope! Strengthen us in the difficulties and trials ahead; keep us faithful in your service. Renew our sacred, timeless commitment to follow Christ. With you as guide may we serve you, and our brothers and sisters, with love. And at the end, be our gateway to unending life. Amen.

The Memorare: Remember, O most gracious Virgin Mary that never was it known that anyone who fled to thy protection implored thy help or sought thy intercession, was left unaided. Inspired with this confidence, I fly unto thee, O Virgin of virgins my Mother; to thee do I come, before thee I stand, sinful and sorrowful; O Mother of the Word Incarnate, despise not my petitions, but in your clemency hear and answer me. Amen

OUR CATHOLIC FAITH

Nicene Creed: We believe in one God, the Father, the Almighty, maker of heaven and earth, of all that is seen and unseen.

We believe in one Lord, Jesus Christ, the only son of God, eternally begotten of the Father, God from God, Light from Light, true God from true God, begotten, not made, one in one being with the Father. Through him all things were made. For us and for our salvation he came down from heaven: by the power of the Holy Spirit he was born of the Virgin Mary, and became man.

For our sake he was crucified under Pontius Pilate; He suffered, died and was buried. On the third day, He rose again in fulfillment of the Scriptures; He ascended into heaven and is seated at the right hand of the Father. He will come again in glory to judge the living and the dead, and His kingdom will have no end.

We believe in the Holy Spirit, the Lord, the giver of life, who proceeds from the Father and of the Son. With the Father and the Son He is worshipped and glorified. He has spoken through the Prophets. We believe in one holy, catholic and apostolic church.

We acknowledge one baptism for the forgiveness of sins. We look for the resurrection of the dead, and the life of the world to come. Amen.

The Lord's Prayer (Our Father): Our Father, who art in heaven, hallowed be thy name. Thy Kingdom come, Thy will be done, on earth, as it is in heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive those who trespass against us, and lead us not into temptation, but deliver us from evil. Amen

PRAYER FOR ADVENT

Lord Jesus, Master of both the light and the darkness, send your Holy Spirit upon our preparations for Christmas. We, who have so much to do, seek quiet spaces to hear your voice each day. We, who are anxious over many things, look forward to your coming among us. We, who are blessed in so many ways, long for the complete joy in your Kingdom. We, whose hearts are heavy; seek the joy of your presence. We are your people, walking in darkness, yet seeking the light. To you we say, "Come Lord Jesus!" Amen.
